

Instructions

Please complete only one electricity application for your registered small business or registered charity. You cannot receive COVID-19 Energy Assistance Program for Small Business (CEAP-SB) funding for multiple storefronts or locations, and you can only receive CEAP-SB funding from your electricity provider once. If you have natural gas service, you may also be able to apply separately for natural gas CEAP-SB support through your natural gas utility.

After you have provided your information, please sign this form and provide your consent by:

- (a) if submitting electronically, typing your name(s) in Section 4; or
- (b) if submitting by mail, you may print the completed form and sign Section 4 by hand.

Please ensure that the information provided is accurate and up-to-date.

Once completed, the form can be emailed or printed and mailed to your utility. Your utility may offer other ways to submit your application, including in some cases by phone. Please refer to your utility's website or contact them for more details.

CEAP-SB funding is limited and applying does not guarantee that your utility has CEAP-SB funding remaining. Applications will be processed in the order they are received. For information on residential CEAP and lower-income energy support programs available, please visit the Ontario Energy Board's [website](#).
